Sedation & Cosmetic Dentistry

FINANCIAL POLICY

We feel the best thing about our style of dentistry is our commitment to quality. If you've been with our practice a while, you already know our attention to detail and fine materials are second nature to us. But everyone's financial situation is different. And good dentistry won't count for much if it is beyond your means.

We work with most dental insurers. Carriers vary, but we'll try to help you get the most benefit out of your particular policy. We'll fill out your claim forms with you and answer any questions we can. **Please keep in mind you are responsible for your total obligation should your insurance benefits result in less coverage than anticipated.** *We do ask that you pay your portion at each visit.*

We accept major credit cards and, if you qualify, we'll work with you to devise a method of payment through **CareCredit** or **Lending Club**.
