

December 14, 2022

To My Devoted Patients,

We are so happy to announce that my wife, Dr. Caitlin Embury, will be joining Embury Family Dentistry full-time in January 2023! Some of you have already been fortunate enough to meet her in a limited capacity, but she will now be offering all aspects of general dentistry as well as continuing with botox and filler for TMJ pain and cosmetics.

Dr. Caitlin was born and raised in Orchard Park, graduated from Orchard Park High School, and completed her undergraduate studies at The Ohio State University. We met in 2009 at SUNY at Buffalo, School of Dental Medicine and have since married, have two daughters ages 5 and 3, and a 6-year-old golden-doodle. She has been practicing General Dentistry locally for almost a decade and is excited to join the family practice! Her patient-first mentality and treatment philosophy fits right in-line with our values at Embury Family Dentistry and we're absolutely confident she will deliver the level of personalized care you expect.

In her free time, Dr. Caitlin enjoys reading, gardening, and cheering on the OSU Buckeyes and Buffalo Bills! Dentally, she is especially passionate about root canals, pediatrics, and cosmetic procedures. Our team and I are excited to welcome Dr. Caitlin to the practice as she is so looking forward to meeting you all!

Wishing you and your families a loving and fulfilling Holiday Season!

Sincerely,

Carl M. Embury, DDS
